Dear valued client,

As the first half of 2020 is rapidly coming to a close, our staff would like to invite you to schedule a mid-year tax planning consultation. This consultation will focus on executing plans and strategies to manage your income and minimize your tax liability early, rather than in the limited time remaining at year-end. If you do not pay enough tax throughout the year, penalties may apply but with proper planning, the penalties are avoidable. Please feel free to give our office a call or use the following link to schedule an appointment, as the fee of \$125 is a limited time offer.

We look forward to meeting with you!
